

## Garden Club Award "Tip Chart"

Most clubs have excellent projects that are eligible in more than one award category. Exact duplication of the same application is not acceptable; however, maintaining multiple copies of the supporting evidence for inclusion in a Book of Evidence will allow clubs to win more than one award for the same project. The Book of Evidence must focus on each particular award.

In some cases, a project may be eligible for LGCF, Deep South and/or NGC awards. Again, a Book of Evidence must be produced for each award application. Often if an award application is judged as the first place winner in the LGCF category, the LGCF Chairman will forward the award application to the LGCF Award Chairman (Deep South or National) to apply for an award on that level.

LGCF, Deep South, and NGC award application rules are published in the LGCF *Newsletter* (LGCF and Deep South) and *The National Gardener* in the odd numbered years.

The following list includes LGCF, Deep South Region, and NGC awards in project categories.
