Objectives of the Landscape

Design Program

- Develop a greater sense of appreciation, pride, and knowledge about our private and public gardens.
- Become better educated to make changes in our surroundings so that they will be more beautiful, useful, convenient, ecologically sound, and easily maintained.
- Stimulate interest in all phases of landscape design, including community planning, that will affect all of our lives.
- Develop a large number of qualified Landscape Design Consultants to serve in such decision-making areas of public life as providing leadership, educational programs, scholarships, awards, and promoting better landscape design.

Instructors

Instructors are LSU Professors and Outstanding ASLA Professionals.

Registration deadline August 27, 2011.

Registration 8:00—8:30 am
